As the Oblate Pilgrimage finally returns to Lourdes in person after a long wait since the Covid pandemic prevented us from traveling, this year we will also be facilitating those of you at home who are unable to travel to participate online in all our pilgrimage events, the majority of which will be broadcast from Our Lady's Sanctuary in Lourdes, France.

Our theme this year is *Healing the Healer*.

Some events will be broadcast through the Oblates Youtube channel as specified above, and other will be broadcast via Lourdes TV (Official Lourdes youtube channel).

The videos will be available at [www.oblates.ie/lourdes-live/](http://www.oblates.ie/lourdes-live/) each day. We hope you can join us!
